ON (date) 9/24/2012 AT (time) 11:10 PM, WITHIN THE (city/unincorporated area of county) City of Seattle,
COUNTY OF KING, STATE OF WASHINGTON, THE FOLLOWING DID OCCUR:

On 09-24-12 at approximately 2130 hrs Officers were dispatched to 602 NW 85th St (Carnation Massage) for the report of a disturbance. Dispatch advised that the complainant called 911 stating that a known male was at the massage parlor causing a disturbance. Dispatch further advised that the complainant stated that this was the same male that was at the massage parlor last week and forced a female employee into a room at knife point and attempted to rape her.

While Officers were en route, dispatch advised that the complainant stated that they were attempted to restrain the suspect but the suspect got away and was running from the parlor.

Officers arrived and located the suspect (Later identified as GRANT, Danford-D; 03-30-65) and three witnesses at the intersection of 8th Ave NW and NW 87th St. GRANT provided his name and date of birth, but refused any response or explanation about the disturbance.

The victim was located at 602 NW 85th St. The victim stated that on the 19th of this month, GRANT came into the parlor and paid for a massage. Once they were in a private room, GRANT produced a knife and threatened the victim with the knife demanding that she perform a sexual act on him. GRANT sexually assaulted the victim with penetration. GRANT left the area. GRANT returned on 09-24-12 and again came into the parlor and paid for a massage. Once GRANT and the victim went into a private room, GRANT sexually assaulted the victim with penetration without her consent. While GRANT was getting dressed, the victim called the owner of the parlor. The owner of the parlor arrived with two friends (The three witnesses located with GRANT at 8th Ave NW and NW 85th St) and observed GRANT leaving the business. The witnesses attempted to detain GRANT for Police; however GRANT was able to escape their attempt and ran from the area. Police located GRANT a short distance from the initial incident and detained him for verification. Witnesses positively identified GRANT. GRANT was arrested, read his MIRANDA Rights by Ofc A.Ellas and transported to the North Precinct by Ofc W.McCowan.

A/Lt P.Pendergrass responded to the scene and screened the incident and arrest.

Victim was taken to the Hospital to the SANE Unit.

GRANT is an alleged suspect in multiple open rape cases (Seattle Police Department 12-238432 and Bellevue Police Department 12-35972). Bellevue PD as well as the SPD SAU Unit were noticed of the incident.

GRANT was transported to King County Jail by the North Precinct Wagon where he was remanded into their custody for Investigation of Sexual Assault times two.

GENERAL OFFENSE # 2012-325517
UNIT FILE NUMBER

That William Guyer is a Detective with the Seattle Police Department and has reviewed the investigation conducted in Seattle Police Department Case Number 2012-325517;

There is probable cause to believe that Danford D. Grant committed the crime(s) of 1st Degree Burglary, 1st Degree Rape within the City of Seattle, County of King, State of Washington.

This belief is predicated on the following facts and circumstances:

On 9-24-12 at about 2130 hrs Seattle Police Officers were dispatched to Carnation Massage 602 NW 85th St Seattle, WA in reference to a suspect who attempted to sexually assault an employee at knifepoint approximately one month ago. The suspect had now returned to the business and again attempted to sexually assault the same victim J.W. Employees attempted to stop and detain the suspect but he got away and attempted to flee from the scene. A physical description and clothing description was relayed to the responding Officers and the suspect was stopped a short distance away by Seattle Police. While Officers were detaining the suspect, employees ran up and stated to the Officers that they had the right person. The suspect was identified as Danford Grant and later booked into KCI.

On 9-25-12 at approx 1200 hrs Detective Guyer in Seattle PD's Vice Unit was notified of the incident and that the suspect fit the description of earlier sexual assaults at the same business Carnation Massage 602 NW 85th st. Further Det. Guyer was contacted by Det Thompson from Bellevue Police Dept. advising that he was also working a case of a sexual assault at a massage parlor where Danford Grant had now been positively identified by the victim in a photo montage.

Detective Guyer learned of another employee of the Carnation Massage who had left the business and was working as a massage therapist from her home in Shoreline.

Det. Chinn, and Det. Guyer prepared a photo montage and met with victim Y.C. (dob 7-31-59). Victim Y.C. stated she had kept notes of her contacts from the suspect who used different names and phone numbers but she recognized as the same person. Det. Guyer contacted a Mandarin interpreter that was recommended by King County Prosecutors Office. Det Guyer had the interpreter explain the montage id sheet in Mandarin, and victim Y.C. identified Danford Grant as the person who broke into her residence and raped her on August 19 at 1830 hrs. (The montage explanation conversation was recorded with all parties consent) Victim Y.C. detailed the incident when Danford Grant called her number from [REDACTED] and was standing outside her home. Victim Y.C. stated suspect Danford Grant at first asked to come in but Victim Y.C. repeatedly told Danford Grant to leave. Danford Grant then forced open the door breaking the chain lock across the inside of the door. Danford Grant then grabbed Victim Y.C. around the neck and covered her mouth so she could not scream. Victim Y.C. stated she could not breathe and thought she was going to die. Danford Grant continued saying he just wanted a massage and Victim Y.C. continued telling Danford Grant to leave. Danford Grant forced Victim Y.C. to the back bedroom / massage room and ordered her to take off her clothes. Victim Y.C. continued to beg Danford Grant to stop, and he then forced vaginal sexual intercourse on Victim Y.C. Victim Y.C. stated that the sexual intercourse was

painful and that she bled a lot after the assault. Victim **Y.C.** stated that she was not having her monthly period and that the blood came from injuries caused by **Danford Grant** raping her.

Due to language barriers Detectives are attempting to get more detailed statements from the listed victims and additional victims.

Because of the statements and evidence of **Danford Grant** breaking and entering into the residence of Victim **Y.C.** at _____ st in Shoreline WA for the purpose of sexually assaulting Victim **Y.C.** I believe there is probable cause for 1st degree burglary, and 1st degree Rape.

Under penalty of perjury under the laws of the State of Washington, I certify that the foregoing is true and correct to best of my knowledge and belief. Signed and dated by me this 25 day of September, 2012, at Seattle, Washington.

CERTIFICATION FOR DETERMINATION OF PROBABLE CAUSE

The following occurred in the City of Bellevue, County of King, State of Washington.

That Detective Robert Thompson is a detective with the Bellevue Police Department and has reviewed the investigations conducted in Bellevue PD case 12-36514 and believes there is probable cause that Grant, Danford Donovan DOB: 03/30/1965 committed the crimes of Rape in the 1st degree in violation of RCW 9A.4.040 This is based on the following information:

On August 28th, 2012 the victim, who is a licensed massage therapist, was working with a client at her place of business located within the City of Bellevue, County of King. She knew this client by the name of Daniel as he had called to make an appointment earlier in the day. When he arrived for his 8:15 pm appointment, the victim recognized Daniel as a person she had given massages to on three previous occasions. On each prior occasion the suspect had used different names including, "Hunter", and "Bob". The victim said when the suspect arrived, he removed all his clothing, (except his watch) and hung them on a hanger next to the massage bed. He requested a medium Swedish massage. The victim worked on his back for about 30 minutes and then turned him over to work on his chest, arms and legs. She said at this time the suspect started talking to her about marrying him and leaving her husband. He promised he would take care of her and he had lots of money to do so and they could travel all over the world together. The victim said she listened to him and continued to massage him. Suddenly the suspect grabbed her and pulled her toward him onto the massage bed. The victim said he told her he wanted to make love to her and he attempted to kiss her; that he "wanted to have her now". The suspect told the victim that he had been doing some research on her and knew her home address. He told her what her address was and it was correct. He told her what her husband's name was. The victim said at this point she became frightened as he knew a lot about her and where she lived. When she continued to refuse his advances, the suspect stood up and pushed her, face down across the massage bed. The suspect at this time is naked and had an erection. He was attempting to pull off her pants and managed to get them down and off of one leg. While he stood behind her, the victim said she could feel him pushing his penis in and around her bottom but she continued to resist him and she grabbed her cell phone and was going to call for help. The suspect turned her around and slapped her in the face telling her not to fight with him. He grabbed her by the hair and pulled her back up off the massage table and took a few steps toward the clothes hanger where his suit hung. He reached into a pocket and removed a jack style knife and opened the blade. He placed the blade into her face and threatened her not to fight with him. The victim reported she believed at this point she was going to die today and she wondered how long it would be before someone found her body. She described the knife as black with a silver blade. She said she plead with him and asked why he wanted to hurt her if he liked her so much. She told him if he put the knife away, she would have sex with him. She said he suddenly changed his behavior and put the knife away. The victim said she then told him she had HIV, hoping this would stop him but he just said, "Me too" and got a condom from his jacket. The victim said the more she resisted, the more the suspect seemed to get angry but if she talked to him nicely he would change. The suspect pushed her forward again onto the massage table and said, "you got to get [REDACTED] today". The lie, she told about having HIV didn't seem to threaten the suspect and he told her she was going to have sex with him anyway and it was going to happen today. The victim said the suspect took the condom out of the wrapper and put the condom on. He pushed her forward and as she fell onto the massage bed, it tipped over and they both fell to the floor. He was pushing her legs apart and climbing on top of her. She said he was putting his finger(s) into her vagina and attempting to put his penis in her vagina but she resisted by squirming around and pulling her legs together. She said the suspect may have entered her vaginally with his penis a "few times" but did not penetrate very deep. She said they continued to struggle on the floor and the suspect ejaculated into the condom. The suspect got up off of the victim and went to get his clothes on. He then walked out the front door and left.

1 The investigation continued and the victim was shown several montages and photographs of convicted rapists and
2 sex offenders who match the description of the man who raped her. None of the montages were of the suspect.

3 On September 24th, 2012 the Seattle Police Department arrested Danford Grant after he entered a massage parlor
4 in Seattle and attacked the massage therapist with a knife and raped her, (12-325517). Grant had reportedly raped
5 the same woman one week before too. After the assault, Grant fled but was arrested a short distance from the
6 scene and booked into the King County Jail.

7 September 25th, 2012 your affiant put together a montage of photographs including one of Danford Grant and
8 made an appointment to meet the victim in the Bellevue case. When shown the montage consisting of six
9 photographs, the victim instantly picked photograph number 2, (Danford Grant) as the person who raped her on
10 August 28th, 2012. The victim told your affiant on a scale of 1-10 with 10 being absolute positive, she was a 9.9.
11 When talking to the victim, she requested to know how old the person in photo number two was. When asked why
12 she stated the suspect asked her what her age was and she told him she was born in 1967. The suspect told her he
13 was two years older than she was. In looking at Grants date of birth he was born in 1965.

14 Your affiant was also advised by the victim that in the massage therapist community, especially if they are from
15 other cultures, the women are afraid to come forward to report incidents of rape for assorted reasons. This victim
16 told me she knows of this same man raping another woman in Bellevue about 2 years ago but it was not reported
17 because the woman who was raped was not a licensed therapist and she did not want to get into legal trouble.
18 Additionally, the Seattle Police Department has a similar case in which a suspect attempted to rape an Asian
19 therapist and this suspect also wore a suit and told the therapist he was a lawyer. His physical features were similar
20 to Danford Grant.

21 Danford Grant was contacted at the King County Jail by your affiant and told he was being investigated on a case
22 that involved a massage parlor and that the victim in the case positively identified him as the suspect. Your affiant
23 called him Danford and he advised I could refer to him as "Dan". Grant never inquired as to what the crime was or
24 what he was accused of, he just requested his attorney.

25 Danford "Dan" Grant has no known prior criminal history. He goes by the name of Dan which is one of the
26 names he used when he made the appointment with the victim, he is an attorney, and he is two years older than the
27 victim. The victim described the suspect as wearing glasses. Grant wears glasses. The victim provided the
28 Bellevue Police Department with an artist sketch of the suspect. Grant resembles that sketch. Because the suspect
29 had been to the victim's business at least 4 times, she was more likely to be assured of a correct montage picture
30 than only having seen a suspect on one occasion.

31 Based on the above information, I believe there is probable cause to believe Danford D. Grant, dob: 03/30/1965
32 made an appointment with the victim on August 28th, 2012 in the City of Bellevue and within King County and
33 while at the victim's business by forcible compulsion and the threatened use of a knife, he engaged in sexual
34 intercourse against the wishes of the victim in violation of RCW 9A. 44. 040.

35
36
37 Under penalty of perjury under the laws of the State of Washington, I certify that the
